## JUNGLE BIKE RIDERS

Down around the local lunch room where all of the ill-mannered bozos gathered for their daily repartee, Oscar Dog was having his troubles, trying to eat his meal in peace and quiet. A few of the many ihaling sounds were caused by X.Y.Zaney the local long distance bike champion, gently eating his soup.

When the alarm was sounded, everyone left the lunch counter and started to do their stuff on the mounted wheels.

Even old famrer Al was there practicing rough riding on his pet goat. Ebenezer Sneezer opened up a great business, parking bikes and acting as the bike stand himself. He made a total of five cents every few days.

Then came the start of the great cross country event. A great and varied array of wheel pushing talent turned out to do their stuff. Pieface Mousey rode a high wheel with a side car, and carried Oliver Imaline Hippo for ballast.

Farmer Al had the better of the whole affair right from the start, even though he was greatly annoyed by Dentyne Ostrich and Erasmus Rollo the Hippo local champ. Al bumped into a maiden hen just after he crossed the finish line, he won the prize money but Erasmus Rollo was riding along furiously trying to catch Certaintweed Ingalls Mouse and in his haste ran right over old Al and flattened him flatter than a sixteen acre mud pie made of Jersey City saw dust. However the ending shows him still happy in the fact that he's the flat chested champion of the Gridiron districts.

Aesop says:- "No matter how flat your knocked, never say die
